## WAR MUSEUM

A great time was had by all! Thank you to all the cadets that made this event such a great success and thank you to our Training Officer, Lt(N) Lisa Desnoyers for organizing it! We had a great tour, followed by history learning adventures and ended our day with some fantastic team building activities!

Lt(N) Jacques has collected all the history activities sheets and will assign bonus cock-of-the-walk points to each cadet that participated. We are getting down to the wire in determining the Top Division at Falkland this year...I wonder which division it is going to be???

## GOOD LUCK BAND!!!

The staff and cadets at RCSCC Falkland want to wish our band staff and cadets **GOOD LUCK** at their band competition this coming weekend! This very young band (comprised of mostly new cadets) has worked tirelessly to prepare for this competition. We hope that you go out and enjoy your day, relishing in the dedication and commitment that you have given to the band this year! Regardless of where you place next weekend we are all SO PROUD OF YOU!

## SAIL WEEKEND SIGN UP

RCSCC Falkland has three (3) sail weekend training dates assigned for this year's summer sailing period. These weekends are provided by the Cadet Nautical Centre at CTC Connaught and are provided to advance sailing skills for those cadets interested in obtaining CANSail 1 and potentially CANSail 2 sailing levels. These qualifications are civilian qualifications and are awarded based on the Sail Canada requirements.

Cadets are permitted to sign up for more than one weekend, however it is important to note that they may not be loaded on more than one. Sail billet allocation will depend on a few factors such as: number of cadets registering, previous participation (those cadets that are close to achieving levels will be prioritized to ensure they have the required time to complete the necessary skills check for their level), attendance and participation in Wednesday parades, attendance and participation at weekend training. Lunch will be provided for all cadets participating so please ensure that any dietary requirements are noted so arrangements can be made in advance. Food accommodations cannot be made on the grounds for cadets that have not identified food requirements during this registration period.

The following weekend and billet allocations are available for registration:

- June 1<sup>st</sup>-2<sup>nd</sup>, 2024 (8:00am-4:30pm): 30 billets
- June 15<sup>th</sup>-16<sup>th</sup>, 2024 (8:00am-4:30pm): 16 billets
- June 22<sup>nd</sup>-23<sup>rd</sup>, 2024 (8:00am-4:30pm): 30 billets

Please use the registration link below. Registration will be open until Wednesday May 22<sup>nd</sup>, 2024. Cadets that have been selected for each training weekend will be notified and further information will be provided at that time.

CPO2 Amuah has participated in almost every extracurricular activity we have had this year, as well as being a member of the Falkland band. She shows a dedication to the corps that goes beyond our expectations. CPO2 Amuah is a quiet leader, but an outstanding one nonetheless!
